Stripes - rounded fluffy  
ears. long straight nose  
flexible clothes.

long tail for balance.

Short fuse, wild temper-  
ment.

Curios like a child

Very proud and with a  
often childish open mind &  
body language.

INK

G.

Usually leans forward  
therefore he needs a large  
weighted tail to keep upright.

# CAPTAIN IKKWARD

↳ 35 

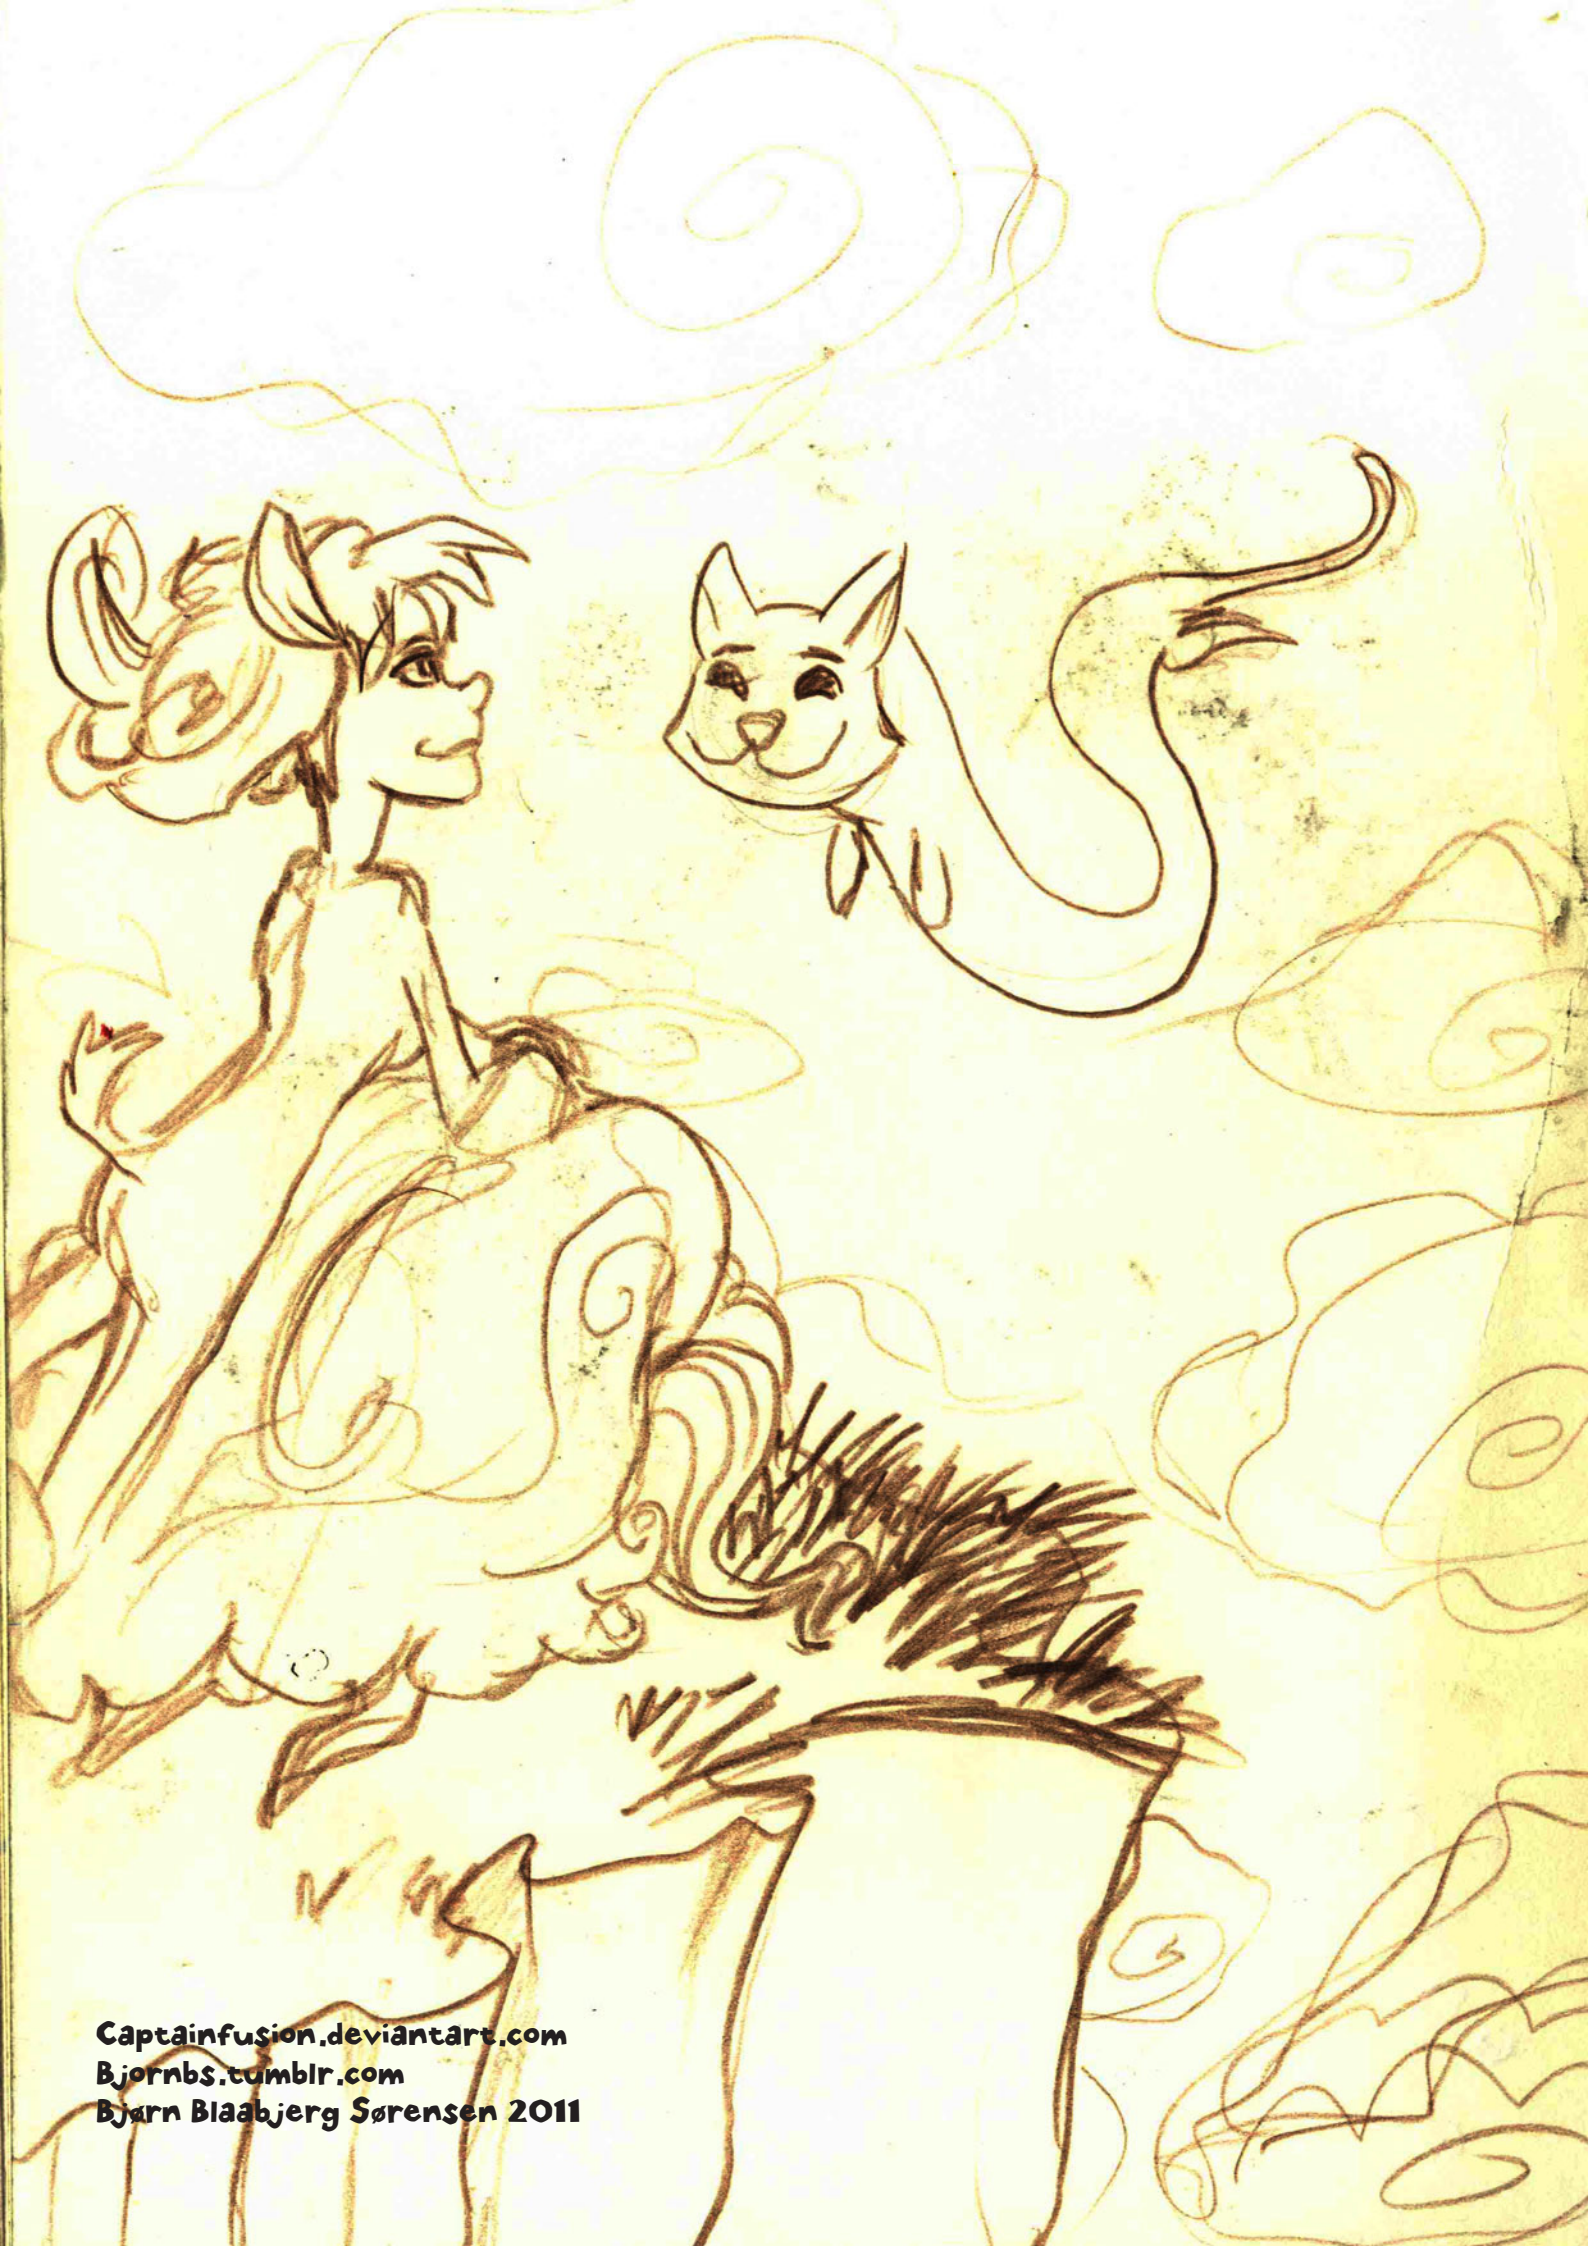

Being of royal blood  
Ikkward quickly became  
captain of his own ship in  
the navy.

when he was a child he was a  
Prankster, but now he has  
gotten serious and cold.

Growing up as a single  
spoiled child Ikkward  
has developed into a  
~~ruthless~~ and heartless com-  
mander & captain.

In truth he is sad about  
his life because he never  
got to be the wild and  
impulsive type.

He blames his childhood  
and dislike extroverted  
behavior.
